Offer will enable holders of Brookfield Corporation Class A Shares to voluntarily exchange into shares of Brookfield Reinsurance on a one-for-one basis

BROOKFIELD, NEWS, Aug. 18, 2023 (GLOBE NEWSWIRE) -- Brookfield Reinsurance (NYSE, TSX: BNRE) today announced its intention to commence an offer whereby holders of Class A Limited Voting Shares ("BN Shares") of Brookfield Corporation (NYSE, TSX: BN) will have the opportunity to voluntarily exchange up to 40,000,000 BN Shares for newly-issued Brookfield Reinsurance Shares¹ on a one-for-one basis.

Brookfield Reinsurance is a "paired entity" to Brookfield Corporation, which enables the offer to be structured so that the equity base and market capitalization of Brookfield Reinsurance can be enhanced without any dilution to Brookfield Corporation or Brookfield Reinsurance shareholders.

Sachin Shah, CEO of Brookfield Reinsurance, said, "As we grow our insurance business, we are focused on balance sheet strength and capital flexibility. This offer enables us to bolster the equity base and market capitalization of Brookfield Reinsurance without diluting either company."

He continued, "Brookfield Reinsurance also provides investors with an alternative, efficient means through which to hold an interest in the paired entity. This offer will enable Brookfield Corporation shareholders the opportunity to hold more of their interest in Brookfield Reinsurance should they wish to do so."

Both Brookfield Reinsurance and Brookfield Corporation believe that exchanges under the offer by holders whose personal circumstances favor investing in the paired entity through the ownership of Brookfield Reinsurance Shares will be beneficial to overall Brookfield; however, individual shareholders of Brookfield Corporation will need to make their own decision whether to tender shares in the contemplated offer and it is entirely voluntary.

Neither Brookfield Reinsurance, Brookfield Corporation nor any other person is making any recommendation as to whether or not a holder of BN Shares should tender such holder's shares for exchange in the contemplated offer. An offer to exchange/circular relating to the offer will be sent to shareholders of Brookfield Corporation on commencement of the offer. The offer will be subject to a number of conditions to be described in the offer to exchange/circular, including listing of the Brookfield Reinsurance Shares on both the New York Stock Exchange and the Toronto Stock Exchange, a final receipt of the prospectus from the Canadian securities authorities and the registration statement being declared effective by the U.S. Securities and Exchange Commission (the "SEC") and other customary approvals.

Important Information about the Proposed Exchange Offer and Where to Find It

This press release is for informational purposes only and is not an offer to buy or the solicitation of an offer to sell any BN Shares or other securities of Brookfield Corporation, nor shall there be any offer to buy or the solicitation of an offer any securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. The offer described in this press release has not yet commenced. The offer will be made only pursuant to the offer to exchange/circular contained in the registration statement on Form F-4 filed with the SEC, the

letter of transmittal and other related materials, including a tender offer statement on Schedule TO. The registration statement on Form F-4 has been filed with the SEC but has not yet become effective. The Brookfield Reinsurance Shares may not be sold nor may offers to buy be accepted prior to the time such registration statement becomes effective. Shareholders are urged to read any such documents if and when they become available, and any other filings made in connection with the offer, because they will contain important information.

Further details regarding the operations of Brookfield Reinsurance are set forth in its regulatory filings.

Shareholders will be able to obtain free copies of these materials and other documents filed with the SEC by Brookfield Reinsurance and/or Brookfield Corporation in connection with the offer (including the offer to exchange/circular and the Schedule TO), when available, through the SEC's website at <http://www.sec.gov> and on Brookfield Reinsurance's SEDAR profile at www.sedarplus.ca. In addition, copies of these documents may be obtained by contacting Brookfield Reinsurance at the contact information provided below under the heading "Investor Relations".

The Brookfield Reinsurance Shares

The Brookfield Reinsurance Shares under the offer are class A-1 exchangeable non-voting shares of Brookfield Reinsurance, which are (i) convertible into Brookfield Reinsurance class A exchangeable limited voting shares, and (ii) exchangeable into BN Shares, in each case on a one-for-one basis. Distributions on Brookfield Reinsurance's exchangeable shares are expected to be paid at the same time and in the same amount per share as cash dividends on the BN Shares, but are expected to be paid as a return of capital, rather than a dividend, which may be attractive to certain investors.

We refer to Brookfield Reinsurance as being "paired" with Brookfield Corporation due to the above exchange features and common distribution.
